- A quick reference table for the requirements of an MMC and any endorsement is available online at: [46 CFR 10.239](http://46CFR10.239)
- More information is available on the National Maritime Center (NMC) website: www.uscg.mil/nmc

MMC and Endorsement Application Descriptions:

All Mariners will receive a single Merchant Mariner Credential. Describe all desired capacities and limitations both national and STCW including tonnage, waters, propulsion mode, horsepower, ratings (*Ordinary Seaman, Able Seaman, QMED-Oiler, etc.*), purser, doctor, radio operator, continuity, etc.

1. **Original MMC** - An applicant must apply for an original MMC if they have never held any Coast Guard issued credential or if the first credential issued to applicant after their previous credential was revoked pursuant to 46 CFR Part 10. Complete the application and ensure all mandatory documents are contained with application.
2. **Renewal MMC** - A credential may be renewed at any time during its validity and for one year after expiration; you must be qualified to renew all Domestic/STCW Officer and Rating endorsements to receive an MMC with a new five year expiration date. An MMC renewal-only transaction will automatically be issued with a date that coincides with the expiration date of your previous credential or a date that is 8-months from the time the Coast Guard accepted your application, whichever is sooner. Page 3, Section II of this form provides you the opportunity to decline this post-dating feature and your MMC will be valid immediately.

3. **Duplicate MMC** - In the event of a lost credential, a statement describing the circumstances of the loss must be submitted with the application. The duplicate will have the same authority, wording and expiration date as the lost credential. If a person loses a credential by shipwreck or other casualty that causes damage to a ship, a duplicate will be issued free of charge as per 46 CFR 10.229. If a person loses a credential by other means and applies for a duplicate, the appropriate fee set out in 46 CFR 10.219 must be paid. No application from an alien for a duplicate credential will be accepted unless the alien complies with the requirements of 46 CFR 10.229.
4. **MMC Endorsement(s)** - This is a statement on a mariner's MMC that indicates that he or she is qualified to serve in that capacity. All endorsements including National officer and National rating endorsements as well as all STCW endorsements (International) are listed in [46 CFR 10.109](#).
NOTE: Requests for an endorsement(s) will not change the expiration date of a mariner's MMC unless the applicant also requests a renewal MMC and meets the renewal requirements of all endorsements on the MMC in accordance with 46 CFR 10.227.
 - (a) **Raise of Grade (ROG) Endorsement** - The requirements for a ROG are found in 46 CFR 10.231. This is an increase in the level of authority and responsibility associated with an existing officer or rating endorsement.
 - (b) **Increase in Scope** - The requirements for an Increase in Scope are found in 46 CFR 10.223. This is a modification or a removal of limitations or scope to existing MMC endorsement(s).
5. **Document of Continuity** - This is a record of qualifications previously held and does not authorize the holder to sail in any capacity listed thereon. Documents of continuity do not expire, do not require medical or security evaluations, and do not require fees. STCW endorsements may not be placed in continuity. No credential expired beyond the 12-month administrative grace period described in 46 CFR 10.227(h) can be converted into a Document of Continuity.
6. **Entry Level Ratings** - There are no professional requirements needed when applying for entry level credential. Ratings may include Ordinary Seaman, Wiper, and/or Stewards Department / Stewards Department (*Food Handler - F.H.*). Section III: Safety and Suitability

III. 1 **Transportation Worker Identification Credential (TWIC):**

- A TWIC is required for applicants who need access to secure areas designated in a vessel's security plan and a facility's security plan by the Maritime Transportation Security Act.
- Unless specifically exempted, the Coast Guard must have evidence that you hold a valid TWIC or, for original applicants, that you have applied for a TWIC and are awaiting the results.

III. 2a-f **Criminal Record Review (Convictions and Drug Use):**

In accordance with 46 CFR 10.211, the Coast Guard may review the criminal record of an applicant to determine meet safety and suitability of all applicants before any MMC and any endorsement is issued. At the time of application you must provide a written disclosure of all prior convictions NOT previously disclosed.

- **Original Applicants are required to list ALL convictions.**
- **Written Disclosures** - Applicants may use the optional form (CG-719C) to provide written disclosure of all convictions.
- **Conviction means** that the applicant for a merchant mariner credential has been found guilty, by judgment or plea by a court of record of the United States, the District of Columbia, any State, territory, or possession of the United States, a foreign country, or a military court, of a criminal felony or misdemeanor or of an offense described in section 205 of the National Driver Register Act of 1982, as amended (49 U.S.C. 30304). If an applicant pleads guilty or no contest, is granted deferred adjudication, or is required by the court to attend classes, make contributions of time or money, receive treatment, submit to any manner of probation or supervision, or forgo appeal of a trial court's conviction, then the Coast Guard will consider the applicant to have received a conviction. A later expungement of the conviction will not negate a conviction unless the Coast Guard is satisfied that the expungement is based upon a showing that the court's earlier conviction was in error.

III.3 **National Driver Registry (NDR):**

- No MMC will be issued as an original or reissued with a new expiration date, and no new officer endorsement will be issued if the applicant fails the criminal record review in accordance with 46 CFR 10.213.

- IV.5 **Signature and Date:** Failure to sign and date the application will result in the application being returned.

You may allow release of all information to certain individuals or entities. 1. The **Medical Practitioner** should indicate whether the applicant can meet the guidelines listed in the table above. If the **Medical Practitioner** doubts the applicant's ability to meet the guidelines contained within this table, and for all applicants with a Body Mass Index (BMI) of 40 or higher, the **practitioner** should require that the applicant demonstrate the ability to meet the guidelines contained within this table. This does not mean, for example, that the applicant must actually don an exposure suit, pull an uncharged 1.5 inch diameter 50' fire hose with nozzle to full extension, or lift a charged 1.5 inch diameter fire hose to firefighting position. Rather, the **Medical Practitioner** may utilize alternative measures to satisfy themselves that the applicant possesses the ability to meet the guidelines in the third column. A description of the methods utilized by the **Medical Practitioner** should be reported in the **Comments** section provided below.
2. All practical demonstrations should be performed by the applicant without assistance. Any prosthesis normally worn by the applicant, and any other aid devices, may be used by the applicant in all practical demonstrations except when the use of such items would prevent the proper wearing of mandated personal protection equipment (PPE).
3. If the **Medical Practitioner** is unable to conduct the practical demonstration, the applicant should be referred to a competent evaluator of physical ability. The Coast Guard recognizes that not all medical practitioners will have the equipment necessary to test all of the tasks as listed. Equivalent alternate testing methodologies may be used. For further information, check the Merchant Mariner Medical Manual which can be found at https://media.defense.gov/2019/Sep/11/2002181050/-1/-1/0/CIM_16721_48.PDF.
4. If the applicant is unable to perform all of the functions listed in the table above, the **Medical Practitioner** should provide information on the degree or the severity of the applicant's inability to meet the standards. The results of any practical demonstration or attendant physical evaluation should be recorded in the **Comments** section provided below.
